Holiday. New Year

Prayer of the Holy

O God Master of the Universe who
sees all things and who has
given us the vision and foresight
to shape ^{our life in a} meaningful and constructive

fashion

~~life~~ ~~that~~ that as we begin
a New Year and once again
begin to apply ourselves to ~~so~~ ^{fully} many

tasks and problems that we
~~will~~ ^{will bring} each of us from the many
bits and pieces of impressions
and experiences ~~that~~ ^{we all} have
a coherent
picture of a ^{community} world ~~that~~ ^{and} becoming a little
better and a little more peaceful
because ~~you~~ ^{of our} and others effort

that O God that none of us
will ever get discouraged or fail
to do our share because either
we are aware we know how bad

a painful experience. Great God
that each of us will ^{look out for} like ^{we look for} the
~~the~~ collage which will be presented
here tonight ^{that we will} look at the total picture and
^{not just} ~~at a few dark spots and that we will get~~ realize that many times
the dark is needed to accentuate the light.
Great God the each of us will be
given the vision and the strength to
redouble our efforts for our school,
our community, Sweet Jewry & Israel.
May this year see peace proclaimed
in the Middle East. Sweet Jewry
free from its chains and American
Jewry free in a great religious
renaissance. And may we all by
contributing to these goals be drawn
closer to each other ^{this} & God.

Comforter of all mankind, Maker
of Peace, Ruler over the destinies

each of us. Grant that the

usher in will be a year when
all the rulers of the nations of the
world will ~~realize~~ ^{fully realize} that what their
people really want is peace
and that without it mankind
will never be able to develop.

the potential and goodness that
Shaw has endowed ~~with~~ ^{just} it with ~~all~~ work.

Grant O Soul that acts of terror
and blackmail like we have witnessed
~~with~~ ^{past} the ~~last~~ work will never
be repeated and that thy people Israel
will be allowed to live in peace.

Grant O Soul that the Russian Jews
will be free ^{to} live as Jews. And

~~Grant O Soul that all of us with~~
all our problems and cares will
~~be drawn closer to Thee~~ by working
together be drawn closer to Thee
