

Holiday - Purim

O God Master of the Universe who
has created joy and gladness grant
that as we approach this happy
season the holiday of Purim and the
celebration of our 75th Anniversary ~~celebration~~
~~grant that~~ ^{that} all of us will ~~show~~
realize that true joy can only ^{come to each of us}
come ~~to us by making our whole~~
~~self into a project~~ if we
are willing to ~~get involved in~~
give of ourselves. ^{Grant that we will always realize that} Joy is not ~~passive~~
~~that~~ those who do not work and give
of themselves can never feel it. Grant

~~us all the strength to participate~~ ^{always}
~~and feel the joy of all~~

O' God that all of us will always
have the strength to ~~be able~~
~~to~~ feel the joy of our holidays
and community celebrations and
~~to~~ that by so doing we will
be drawn closer together, our
children will be drawn closer to Islam
and we will be drawn closer
to Thee.
