O God, Master of the Universe, the origin of all things who has created each of us with a distinctive personality, with strong drives and also with the need to be accepted and loved by others Grant that as we gather here today to dedicate this new Mental Health Facility that each of us will always be mindful of the fact that man has many conflicting needs among them the need for freedom and the need for security, the need to achieve and the need to be loved, the need to give and the need to take, the need to be recognized and the need to be left alone. <sup>Let us always be</sup> ~~mindful of~~ <sup>our</sup> ~~the~~ duty of ~~each of us~~ <sup>that</sup> ~~to~~ <sup>all give</sup> to harmonize these conflicting needs in order ~~to make~~

will ~~be~~ <sup>be and continue to be</sup>

~~ourselves~~ as a whole persons. Sant O'Sol that

our recognition of the fact of man's complex drives and needs will ever prevent us from

pursuing either a superficial solution to our Mental Health problems or from pursuing a vision

of man which fails to recognize the basic fact that each of us must learn to integrate within

ourselves our conflicting desires and needs and become One as you are One.

Sant O'Sol that this Mental Health facility will ever serve as a beacon of hope to

the depressed and unhappy and will always be a center of healing and concerned care to our community so

that all of us will always be able to ~~relate to~~ <sup>make peace with</sup>

Blessed Art Thou O Lord who heals the sick

Hospital

O Lord Master of the Universe, ~~Source~~ <sup>Source</sup>  
of all hope, Author of <sup>all</sup> Life who has  
created mankind with soaring  
beautiful dreams and at the same  
time has <sup>himself</sup> ~~himself~~ endowed ~~mankind~~ with the

<sup>creative</sup> capacity to manipulate nature and himself  
~~to~~ <sup>so that they can</sup> ~~normally~~ <sup>to</sup> achieve these dreams Grant  
that all nations <sup>will only use</sup> ~~will use~~ <sup>MANIPULATIVE</sup> ~~power~~ <sup>power</sup>  
~~O Lord that the power that~~

~~we only be used to build and~~  
not <sup>to</sup> destroy Grant O Lord that the  
eyes of Israel's neighbors will soon  
be opened so that they will no  
longer look upon the Jewish inhabitants

of its land as foreign rapacious invaders  
whose only aim is to steal what is theirs

but rather as partners who want to get on  
with the dream of building a peaceful, prosperous,

dear free hunger free Middle East. But I feel

that Israel's neighbors will cease using their manipulative

power for destruction <sup>and</sup> <sup>will</sup> <sup>instead</sup> <sup>begin</sup> to

build out <sup>Israel and all the nations of the world to</sup> a world which will match all of

man's many dreams. But I feel that its newly

dedicated Mt. Scopus Hospital, which is destined to

be used by Arabs as well as Jews, will help them

see it <sup>is for good and not evil.</sup> <sup>that</sup> the Jewish presence in the Middle

East and I feel that we here by any one done

will have a hand in <sup>changing the Arab attitude</sup> ~~the struggle~~ and

that by so doing we will be down here to  
each other ~~to~~ to the Amen.

We are still \$2000 short but if everyone will pay  
Hospital her ~~the~~ ~~donor~~ ~~will~~ we'll make it. We have to make it.  
~~way to making it with a lit~~  
The wounded soldiers, the pregnant women, the sick  
~~over two thousand dollars left to~~  
and the lame and yes even <sup>the</sup> afflicted Arabs of the  
region. ~~Let us hope that we~~  
Middle East need Hadassah and its fine medical facilities.  
~~will make it and in our times~~  
During the war helicopters flew right to steps  
~~emerge triumphant from the~~  
of the hospital directly from the bottlenecked  
~~challenge~~ with the waves of both sides. Hadassah  
stands for hope, for life and for moral sanity in a  
cruel world. Please do not fail her.

I wish the very best to the incoming President  
Jo Garretts and her new board. I know that  
you will give her your utmost cooperation and that  
under her leadership Hadassah will continue to  
meet its challenges and will go from strength to  
strength.

*Dedicated to the people of the Middle East*

GRANT, O LORD, THAT THE EYES OF ISRAEL'S NEIGHBORS WILL SOON BE OPENED SO THAT THEY WILL NO LONGER LOOK UPON THE JEWISH INHABITANTS OF THE LAND AS FOREIGN RAPACIOUS, INVADERS WHOSE ONLY AIM IS TO STEAL WHAT IS THEIRS, BUT RATHER AS PARTNERS WHO WANT TO GET ON WITH THE DREAM OF BUILDING A PEACEFUL, PROSPEROUS, DISEASE FREE, HUNGER FREE, MIDDLE EAST.
